FINISHING

Cut a length of orange yarn from the skein and work a duplicate stitch up the center of the St st panel.

Fold the pumpkin with the right side out and match the top of each cable to the bottom. Stitch together, leaving a hole about 4" wide. Stuff the pumpkin and squeeze to plump. Sew 4" seam closed and weave in end.

Turn pumpkin so that the seam is not visible. Insert stick into center; it should stay upright without securing.
