Pattern Notes

Both versions of this pillow cover are worked back and forth from the bottom up. For both versions, the front and back are worked separately and seamed together.

The chart for each version is very detailed. Bold lines mark the stitches and rows by groups of 10. Stitch markers are not required, but are very helpful in keeping your place while working.

Front

CO 90 sts in MC. Work back and forth in St st, following one of the charts below. Slip the first stitch of each row for easy seaming later.

Back

CO 90 sts in MC. Work back and forth in St st for 104 rows, then BO all sts.

Finishing

Line up the front and back of the pillow cover. Seam the top and both sides, then insert pillow and seam the bottom. Weave in ends.
